

TOWNSHIP OF PISCATAWAY  
Piscataway, New Jersey

## ***PROCLAMATION***

**Whereas**, lung cancer is the leading cause of cancer death in the United States, greater than colon cancer, breast cancer and prostate cancer combined; and

**Whereas**, early detection of lung cancer can dramatically improve survival rates but only a small percentage of cases are diagnosed in the early stages; and

**Whereas**, public awareness is needed to help minimize the devastating affects lung cancer has on our community; and

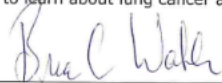

**Whereas**, we commend the doctors, nurses, researchers and advocates who use their knowledge and determination to help those fighting this deadly disease; and

**Whereas**, additional funding is needed for research in early diagnosis, screening and treatment; and

**Now therefore be it resolved**, that I, Brian C. Wahler, Mayor of the Township of Piscataway, County of Middlesex, State of New Jersey, proclaim November 2022

### **LUNG CANCER AWARENESS MONTH**

and encourage all residents of Piscataway to learn about lung cancer and early detection through lung cancer screening.

**Brian C. Wahler, Mayor**

November 10, 2022  
**Date**
